November Newsletter

Dear parents and carers of St. Peter's,

November is a special month in the Church's calendar, inviting us to remember and pray for the Holy Souls and all who have gone before us. In school, the children have been learning about the importance of prayer and remembrance, offering intentions for loved ones and those who gave their lives for peace. Our Remembrance displays and class reflections have shown a deep respect and thank you to all children who added names to our remembrance tree.

Recently, we were delighted to receive the following message from a group from the local council who worked with Year 5 during a recent speed survey session:

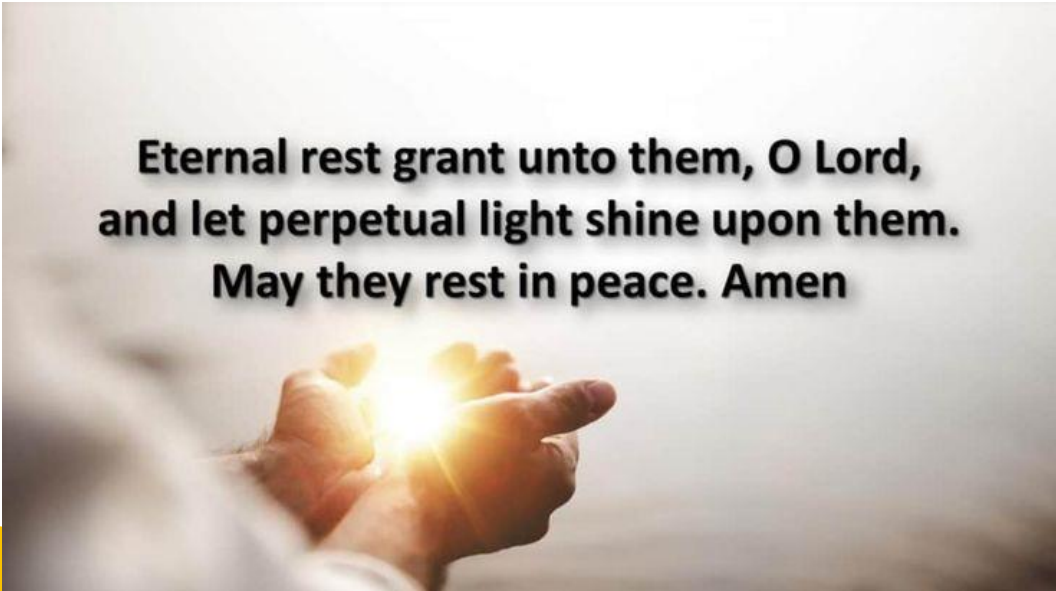

"Just a little note to say how well the children behaved yesterday during the speed survey session. Both groups showed mature attitude and listened well. They are a credit to your school. My colleague and myself were really pleased with their level of knowledge and overall behaviour."

Feedback like this reflects what we see every day—children striving to live out our Gospel values in their words and actions. Year 5 demonstrated not only their learning but also their kindness and respect, qualities that make our school community so special.

As we continue through November, we invite families to join us in prayer for the Holy Souls and for peace in our world. Thank you for your ongoing support in helping our children grow in faith, knowledge, and love.

With every blessing,

Mr. Hodgson
Principal

**Eternal rest grant unto them, O Lord,
and let perpetual light shine upon them.
May they rest in peace. Amen**

Y5 Alton Castle Trip

Our trip to Alton Castle was a truly memorable experience for the children and offered rich opportunities for personal growth. Throughout the residential, pupils developed independence, resilience, and perseverance as they took on a range of new challenges. From making their own beds to tackling activities such as low ropes, archery, and survival skills, the children showed great determination and teamwork.

Alongside the adventure activities, the residential also provided valuable moments for spiritual formation. The children were encouraged to reflect personally on their experiences and to recognise the different ways they encountered God throughout the trip. These quiet moments of reflection helped deepen their sense of gratitude, wonder, and connection with their faith.

Y4 + 5 visit London

Both year 4 and year 5 had an unforgettable day exploring the Tower of London. Travelling by train and Underground, the children showed excellent behaviour and confidence as they navigated the busy journey. At the Tower, they were amazed by the dazzling Crown Jewels and asked thoughtful questions about their history. The highlight of the visit was a fascinating Crime and Punishment workshop, where pupils discovered how law and order have changed through the centuries. Throughout the entire trip, Year 4 demonstrated curiosity, maturity, and impeccable manners. Well done to everyone for making the day such a success!

Year	Principal's Award	Goldfinch Award	English Award	Maths Award
