Dear Parents & Carers

## Important Information - Car Park Safety

This morning we have again been informed of parents parking dangerously and inconsiderately on Howdens car park which almost resulted in an accident.

Please may we remind you that Howdens car park is for their customers and deliveries only and should not be used by parents dropping off their children at our school. They are now looking at taking extra measures to ensure their car park is not misused.

Can we also remind you that all parents and children should be walking around the designated parent/child/visitor walkway rather than putting themselves and the children in danger whilst walking across our busy car park.

We have evidence on our CCTV system of parents rushing across the driveway to beat the gates closing on them. This puts people and children in danger of being hit by a vehicle. Drivers would not expect pedestrians to be on the car park.

All parents must enter the school premises by the designated parent/visitor walkways which are designed to keep all users safe. Please do not put the lives of our children at risk.

**We are asking for your co-operation to avoid the possibility of a terrible accident occurring.**

Thank you for your continued support

R Snee (Mrs)  
Executive Principal
