Dear Parents/Carers

I would like to express my sincere thanks to all parents who took the time to speak with Mr Beardmore, the Newman Collegiate, Catholic Senior Executive Leader (CSEL). He was very impressed with the school and the positive relationships between school staff and families enabling us to ensure the best possible education for all children.

Also, as I am sure you are all aware of the tragic events in Turkey and Syria and the devastation caused by the earthquake. With the death toll rising and the extreme cold weather the survivors still have so many things to endeavour. Taking into account right now the concerns families are encountering with the cost of living crisis, I am not asking you and your families to make a cash donation to the many appeals to aid workers in Turkey and Syria. Instead, I urge you to join myself and the school staff and children to use the power of prayer, asking God to give comfort and strength to all involved in this natural disaster.

If any of you or your families are affected by the news in Turkey or Syria then please come into school to see me if you think there is anything we can do to help.

Once again thank you for your continued support.

May God bless you all and keep you safe and well.

Kind regards

R Snee (Mrs)

Executive Principal
