Executive Principal: Mrs R. Snee

Friday 16<sup>th</sup> December 2022

Dear Parents/ Carers,

We are really pleased to be able to inform you that from **Tuesday 3<sup>rd</sup> January 2023** your child's class will be taking part in a 7 week outdoor education course with Peake Survival School. Highly trained instructors will be coming into school, to work with the children on a variety of topics that they are currently studying within their curriculum.

Sessions will take place in the school grounds and the children will be supported by their classroom staff alongside the specialist instructors.

Please can we ask your children bring to school with them warm clothes that you do not mind getting dirty and sensible footwear. As the weather is unpredictable, please make sure the children have a waterproof coat. As we are still in the winter months your children need to be warm - lots of layers, hats, scarves, gloves and a warm waterproof coat please.

Children need to come to school in their clothes for forest schools, but they **must** bring their school uniform to get changed back into after their session.

Please keep up to date with the schools Twitter account as we will be posting pictures and updates of the wonderful things we have been getting up to.

Please come and speak to myself at the school office if you have any questions.

Yours sincerely,

Mrs D Pierpoint,  
Head of School
