Our Good Samaritan group in school have chosen for our charitable outreach to support the homeless in our city this winter.

Stoke-on-Trent has one of the highest rates of death among homeless people in the country, with an estimated 17 homeless people dying last year.

We have decided as a school to put our faith into action and listen to the Pope's words

"Giving something to someone in need is always right" adding that
"...it should be done with respect and compassion.

We think of the dignity of the human person as Pope Francis says that:
"Every human being, independent of his or her physical, spiritual or social condition, is worthy of respect and consideration".

We are asking for the support of our school community once again for donations of adult gloves, hats, scarves and blankets (New or used) which will be used and distributed from "Stoke Winter night Shelter in Burslem"

Could we ask all donations are in school by Friday 9th December

We really do appreciate anything you can donate, as we understand this is a difficult time for many families this winter.

*Thank you for you continued support
Mrs Hackney (RE subject leader)*
