Dear Parent/Carer

It has been brought to my attention that a character named 'Huggy Wuggy' from the horror game 'Poppy Playtime' may have been viewed by some of our children online.

The character can be easily viewed on You Tube and Tiktok channels and shows a bear with razor sharp teeth that sings worrying songs about hugging and killing.

Due to the name young people may come across the character and watch a video expecting a bear.

Likewise due to the name, it may slip through some internet filtering you may have in place to protect your child. Therefore, please be extra vigilant about what your child is watching as this kind of viewing can cause distress.

Please see the attached guide for more information.

Kind Regards

R Snee (Mrs)
