Dear Parents

I hope you and your children have managed to spend some valuable time together over the school summer break and made precious memories to treasure forever. I am looking forward to seeing all children and hearing their stories and news, about what they have been up to during the long summer break as they return to school.

Over the last couple of days our school staff have been preparing classrooms and resources to welcome all children back to school. I am so looking forward to working in partnership with you, welcoming children back to school and supporting them in their learning journey.

We continue, alongside yourselves to encourage the children to have extremely high aspirations for their future. Opportunities for them to work hard to develop the vital skills and knowledge to enable them to become the young people God wants them to be.

St. Peter's is truly a special place where we base everything we do on respect for all, where we live out our mission statement, "Together, One Family, One Community in Christ" and again this academic year we continue to base everything we do around the Gospel values, to ensure every child has the opportunity to grow, flourish and feel confident to take risks, make right choices and achieve well.

We have a planned curriculum, which involves activities and opportunities for parents to come into school to celebrate achievement, join in with your child's learning, fundraising activities and social events as a school family. Diary dates will be sent out next week so please look out for events that involve you and your child.

As always we understand that, at times some families may need support and help, we are always here to support, care and help so please do not hesitate to contact me if you need to at any time.

Please ensure children return to school daily and on time 8:30am, as children who are in school every day make progress and achieve well.

Children must attend school in their correct school uniform, (during this hot spell children may wear their summer dresses). All children must have a school water bottle, which can be purchased from the school office.

Throughout this autumn term, I will continue to keep your children, yourselves and your families in my prayers and ask you to keep, the school governors, myself and all the staff in yours so that we can look forward to a happy, fun filled education journey this term.

God bless

R Snee (Mrs)
