

Dear Parents/Guardians of Year 6 Pupils

SAT's Tests - Week Beginning Monday 13th May

Next week your child will be taking SAT's exams. These are Government tests which are particularly important for Year 6 children, as the results play an important part in where your child will be placed in high school in September.

We feel it is important that the children are encouraged to relax and not to get stressed over these tests.

We recommend that;

- Children are in bed before 9pm
- Children are encouraged to relax and socialise
- Evenings are kept as relaxed as possible

To help the children at school we are offering them a free breakfast and a drink, children can arrive to school from 8:00am. We hope this will ensure that the children do not arrive late for school and that they have had something to eat before the exams start. Breakfast is not available after 8.30am and children must arrive before this time.

It is very important that all children are in school for 8.30am and **absence is not permitted** during next week.

The timetable is as follows;

Monday	-	Punctuation / Spelling & Grammar
Tuesday	-	English - Reading
Wednesday	-	Maths Arithmetic Paper 1 & Reasoning Paper 2
Thursday	-	Maths Reasoning Paper 3

We will be keeping all year 6 pupils in our prayers and wish them every success to enable them to achieve well giving them a good start as they get ready to move on to secondary education .

Yours sincerely

Mrs A Hodgson
Principal
