

ST PETER'S FOOD FEST

Please join us for a food festival to
celebrate World Food Day on
Wednesday 16th October!

We would love for you to support this fundraising event,
therefore we are asking parents to cook and donate food
from their culture which will be sold on the day to raise
money for the school.

If you can help, we need your donation of food on
Wednesday 16th October from 1.45pm.

A variety of delicious food will be on sale in the school from
3:10pm. Please come and enjoy this celebration as we em-
brace food from around the world.

(Can parents please specify whether
food contains nuts, is suitable for
vegetarians or if food is halal.)

Thank you for your support!
