How does St. Peter's Catholic Academy know if children need extra help and what should I do if I think my child may have special educational needs?

- **All children attending school will be monitored and observed in line with the relevant curriculum. Any concerns will be discussed with parents/carers.**
- **The school operates an open door policy where parents/carers are able to speak with staff about concerns regarding their children.**
- **Appointments can be made to see staff or senior leaders or the schools Special Educational Needs coordinator (SENCo) through the school office.**
- **The school has a dedicated Special Educational Needs coordinator (SENCo) who monitors your child and liaises with you and outside agencies if required.**
- **Parents Consultations are held three times a year giving time for sharing progress and discussing the appropriate next steps for your child.**

The SEND policy and other related documents can be found on the school website.

How will you teach and support my child with special educational needs?

- The *Special Educational Needs coordinator* (SENCo) will liaise with you and any outside agencies involved and the class teacher in order to monitor your child's progress. Pupil passports are drawn up in consultation with all who are involved with your child and the child themselves. The amount of support is tailored to fit the individual needs of your child. One to one assistance or small group work is arranged.
- The class teacher and support staff will work with your child and implement the next steps to aid their development.
- The *Special Educational Needs coordinator* (SENCo), class teacher and support staff are always available to explain the educational plan for your child.

What interventions and strategies can you offer for a child with special educational needs?

Your child is a unique person.

- All teachers plan to meet the child's individual needs through detailed planning and differentiated activities, in a rich environment with adult support. Ensuring safety and extension of experiences.
- Pupil Passports are used to inform all those working with your child. This plan will help with physical, social and cognitive development.
- One to one support is provided if your child requires adult input to ensure their own or others safety.

What interventions and strategies can you offer for a child with special educational needs?

How does the school assess and evaluate the effectiveness and sufficiency of its arrangements and provision for children with SEND?

- **The class teacher or support staff can be spoken to at the beginning or end of the day. The school Special Educational Needs coordinator (SENCo) can meet with parents/carers by prior appointment.**
- **Parent Consultations are held three times a year giving time for sharing progress and discussing the appropriate next steps for your child.**
- **Pupil Passports are reviewed with your class teachers, Special Educational Needs coordinator (SENCo) and your child termly.**
- **External agencies involved with your child are able to visit the school to observe or work with the child.**
- **A rigorous tracking system is in place to monitor your child's progress and attainment.**

How do you ensure that my child or young person stays safe outside of the classroom?

- All trips and visits are staffed with appropriate ratio of adults to children unless one to one is required.
- All areas visited are wheelchair accessible, where required.
- Risk assessments are carried out for any activity where there is some form of risk anticipated. Staff may also visit the trip location prior to the school trip for extra information and to make themselves aware of any added support children may require.
- In the Early Years, Key Stage One and Key Stage 2 staff are on the door every morning and every afternoon to greet parents and children. This provides opportunity to speak to parents on a regular basis and ensure smooth transition in and out of school.
- After school clubs are available for all children in school.

How will St. Peter's Catholic Academy manage my child's medicine or personal care needs?

- **We follow the requirements of the latest DFE advice (Supporting Pupils at School with Medical Conditions- see policy).**
- **Any medicines that are required to be taken are kept in the school office and parents sign a form to detail when and how they need to be taken.**
- **Any toileting or eating needs are managed sensitively and in consultation with the parents to agree the best approach.**
- **Where a care plan is necessary, staff work with the school nurse, SENCo and family to create the plan and then copies are given to all staff working with the child and displayed in school.**
- **Any child's care plan will detail what should happen in an emergency. In case of a medical emergency, an ambulance is called for and parents contacted.**

What support is available to assist with my child's emotional and social development?

- **We have Mrs Kelsall, our Safeguarding Officer who is able to offer support both in a supervisory capacity and as someone to listen to your child. This can provide a quiet space and time away from the classroom for your child should the need arise.**
- **If there are significant concerns about the emotional welfare and needs of your child we can also refer to the Child and Adolescent Mental Health Service (CAMHS) who can work with parents and children to try to enable them to move forward.**

What expertise is available at St. Peter's Catholic Academy in relation to SEND?

- The members of staff all have a wealth of experience and have undergone training. Training is undertaken to equip staff with the necessary knowledge as the need arises.
- Speech and Language Therapist, Educational Psychologist, Specialist Advisory Teachers, Health Care Professionals, Hearing and Visual Impairment support and Special Educational Needs and Disabilities (SEND) Advisor.
- Courses on Hearing Impaired (HI), Visually impaired (VI), behaviour management along with relevant training to support interventions.
- All staff work closely with you and outside agencies to learn specific skills to support children with additional needs.
- All school staff have received updated training on the new SEND Code of Practice.
- All staff receive regular training and updates on Asthma, Epi-Pen and Epilepsy.

How accessible is St. Peter's Catholic Academy?

- **The building is wheelchair accessible. There is an accessibility toilet.**
- **Guidance from specialists would need to be sought if specialist equipment is required.**
- **English as an additional language is catered for, staff are available to translate in some languages.**
- **We provide books, posters and culturally appropriate items whenever possible.**
- **The school's Accessibility Plan can be found on the school website.**

How will St. Peter's Catholic Academy prepare and support my child to transfer to their next education setting?

- In consultation with yourself and other agencies involved with your child we will ensure that the appropriate equipment and care will be in place to make entry into the school as smooth as possible.
- Taster sessions can be arranged when you and your child can visit the school to familiarise yourselves, with the room and staff prior to attending.
- For transition, teachers from the receiving school visit the school to meet the children.
- Visits are arranged during the summer term, for the children to go with staff to see their feeder school.
- Review meetings will be held regularly to discuss support that could be offered during your child's transition with the Special Educational Needs coordinator (SENCo), yourselves and all other professionals involved in your child's care. From these, decisions could be made to support children's transition to specialist schools if required.
- Information is shared with the feeder school that is relevant to the transition.
- Any children with English as an Additional Language (EAL) will be supported as they enter the school by qualified staff.
- Parents /Carers who require support with translation will have access to an interpreter through the school and outside agencies.
