Homework books

Dear Nursery Parents/Carers,

Your child will begin to bring home their homework books this term.

Each week, this will contain an informal activity idea in line with our play-based curriculum, which will support your child's learning in school. The activities are not designed to be difficult or time-consuming, therefore we ask that you try to complete the activity each week to support your child's progress. Please do not worry about what your child produces. The most important thing is that they are encouraged to have a go.

Please encourage your child to look after their homework book.

Your child's homework book should be in their book bag **every Monday**.

We will then return this with a new activity inside **every Wednesday**.

Please remember to use the Nursery class web page for additional information about your child's learning. You will also find the option at the bottom of the website to translate this information to a different language.

You can send photographs of homework activities to our school homework email address: homework@stpeteresnewman.co.uk.

Please ask a member of staff if you have any questions or concerns about homework.

Kind regards,

Miss Bridges and the Nursery Team
