## Library Books

Dear Nursery Parents/Carers,

Your child will begin to bring home a school library book this term.

The children will visit the school library to choose a book of their choice from the book shelf.

This book is for you to enjoy sharing together at home (the children are not expected to read the words). Whilst we encourage you to make the most of sharing these at home, please do not worry if your child has chosen a book that they go on to dislike. Similarly, do not worry if your child enjoys a book and chooses to bring it home again.

Your child's library book should be returned in their book bag every **Friday**, so that they are able to choose a new one. If your child's book is not in their book bag on **Friday**, then they will have to wait until the following week to change this. We will inform you if your child's library book was not in their book bag.

Whilst we understand that accidents can happen, an essential part of the reading curriculum in the Nursery class is to teach children that we should handle books carefully and look after them. Therefore, we kindly ask that you actively encourage your child to take care of their library book.

To be able to maintain our school library and the range of books that are on offer to the children across the school, if library books are returned damaged then we may have to issue a fee to replace this.

On our class page, you will find some guidance and tips about reading with 3-4 year olds. The guidance is available in a range of languages. If you would like a paper copy then please let a member of staff know.

Do ask a member of staff if you have any questions about library books.

Kind regards,

Miss Bridges and the Nursery Team
