This is an amazing achievement and a testament to everything that happens at our school, with staff going above and beyond to give the highest standards of education to your children.

The children too deserve credit for all their hard work and excellent behaviour - the inspectors commented that *every* child was extremely respectful and they all repeated the school's message that we must always show love to each other and that we are all 'one family'.

Thank you to all in the community for your support – I am so incredibly proud of everyone.

God bless,

Mr. Hodgson
Principal
