Tuesday 08th April 2025

Dear Parent/ Guardians

We have received confirmation today that the local authority (Stoke on Trent Council) will not be providing free school meal vouchers over the easter break, this is due to the government funding ending as of 31st March 2025.

We would have liked to inform you of this much earlier, but due to the council only confirming today can only apologise for any inconvenience this will cause you and your family.

The scheme has been used by local councils to fund free school meal vouchers during the holidays from government funding. We understand this has become a lifeline for many families having been in place since the pandemic.

We hope the [Household Support Fund](#) will be reviewed by the council again but at this time, vouchers won't be provided for the Easter break.

If there is anything we can do to support you and your family please contact our safeguarding officer Mrs Taylor, or a member staff in school.

Kind Regards

Miss S Caton
Academy Manager
