Principal: Mr A Hodgson

Dear Parents/Carers,

At St. Peter's Catholic Academy, we want staff and pupils to enjoy the sun safely. As we head into the warmer summer months, please can we remind parents that children should be coming to school with a hat (named inside) and a filled water bottle each day. Please note that sunglasses are not allowed to be worn by children in school (unless they are prescription sunglasses).

Could we also request that children have sun cream applied before school on sunny days. Children will be encouraged to stay in the shade where possible during hot periods of the day, they will be encouraged to apply sun cream and wear their sun hats alongside reminders for hydrating.

To help keep children protected parents should send in a spare, sun cream for their child which will remain in school throughout the Summer Term. This can then be applied as and when necessary, as a 'top up' to the sun cream applied in the morning. Sun creams should be labelled with your child's name and are to be given to your child's Teacher/classroom staff in Nursery/Reception class or kept in school bag/tray for rest of school.

Thank you in advance for your co-operation.

Yours Sincerely

Mr Hodgson
Principal
