Dear Parents/Carers

After Year 5's successful trip to Stanley Head last week, we are hoping to run a three-day residential stay for the class next term. We are planning the trip for the following dates: 10th – 12th November 2021 and I am writing to ask if you would be interested in booking a place for your child.

The cost of the trip will be £142.80 per pupil, which includes full board and accommodation, transport to and from the school, equipment and instruction for activities. We understand the cost is a lot of money to find all at once and so we would offer the chance to pay in instalments.

This is a wonderful opportunity for the children to experience life outside the classroom, to be actively involve in team building experiences and most importantly create special and life long memories. We do hope that your child will take part in this trip which is always a highlight of the year.

For more information on Stanley Head please visit their website www.stanleyhead.org.uk.

Sadly if we do not gain enough interest in the opportunity offered, then unfortunately it will not be able to go ahead.

Please complete the slip and return to school by Monday 12th July. Once all slips are returned a final decision will be made and if there is enough interest for the trip to go ahead, a further letter will be sent out with more details.

Yours sincerely

R Snee (Mrs)

Principal
