Together, One Family, One Community in Christ.

St Peter's is a one form entry primary academy where all children are cherished, where they enjoy learning and are encouraged to strive for excellence with the example of Jesus Christ at its very heart. We continue to learn from scripture to integrate Catholic Social Teaching into our schools' curriculum, to develop a good understanding of God's world and the impact we can have on living, working and praying together ensuring a fair and respectful place for all.

We aim to foster a shared responsibility between home, school and the parish of St Joseph's Burslem, for the full development of each child in a secure and happy environment. We deliver a curriculum that enthuses, excites and allows children to think about their learning explicitly and ensures that they are able to meet the learning goal identified by themselves or that teachers, have set. We share a multi-cultural school family where excellent attitudes to learning permeate throughout each school day where we work, play, learn and model behaviours based on Gospel values which enhance our respect for all.

Children are given the opportunity to become self-aware, take risks, become aware of their strengths and weaknesses, are able to motivate themselves to engage in and improve their learning encouraging them to become leaders of the future through responsibilities including school council, head pupils, team captains to name just a few. We celebrate success at all levels giving the children the advantage of developing into well rounded, enthusiastic and successful learners. We believe that when parents/guardians and schoolwork in partnership we maximize the opportunities for pupils to reach their full potential.

Our Lady & St Benedict Catholic Academy

Our academy provides opportunities for every member of our community to strengthen their spiritual relationship, belief and faith in Christ and one another. Through daily prayer, worship and liturgy we learn to live with one another based upon the teachings of the Gospel Values. We believe that every person matters and that they are entitled to equality of opportunity. Each individual's unique God-given talents are nurtured and celebrated and through an excellent Catholic education, each member will achieve their full potential and come ever closer to understanding their vocation.

We are committed to sharing a strong, loyal and supportive partnership between children, parents, governors, staff, parish and community where the teaching of Christ and the Church are used as our guide to ever strengthen our relationship and service to one another. We provide an environment in which our children understand they are made in the image and likeness of God and they develop self-discipline, respect and care for all, through their words, actions and thoughts.

Through the teachings of Christ and the example of our patrons; Our Lady and St Benedict, we encourage all our children to act as ambassadors for the school now and for their future place within God's world.

'Let them prefer nothing whatever to Christ. And may He bring us together to everlasting life' Rule of St Benedict.
